New Horizon in Academic Excellence

## **In Loving Memory of Ankita Majumdar Trisha**

(02/06/2000 – 19/01/2025)

It is with a heavy heart that we announce the untimely demise of **Ankita Majumdar Trisha**, a beloved student of Royal University of Dhaka from CSE Department, Batch-23. She was not just an outstanding student but also a caring friend, a supportive classmate for her peers, and a source of joy for all who knew her. She was very respectful to all her teachers and admin staff of the University. She used to volunteer in social activities and had a great empathy for the suffering humanity.

Our thoughts and prayers are with **Ankita Majumdar Trisha**'s family, friends, and near ones who are immensely shocked by this sudden and profound loss. May Almighty place her departed soul in eternal peace. She will remain in our hearts forever.
